## **HELP AND SUPPORT**

We continue to need your help and support! Participation, attendance, and sponsorship opportunities for these events are still available. Because of you and the rest of the allied industry, we are able to help support and champion the cause for our industry throughout the state. Funding for these goals continues to be a challenge. Kentucky Poultry Federation needs your help in procuring funds. I hope we can again count on you to be a sponsor of the 2024 Kentucky Poultry Festival Golf Scramble and/or the Sporting Clay Shoot.

## **BECOMING A SPONSOR**

- Sponsorship is only \$500
- Sponsorships will be recognized by:
  - Signage at the event and throughout other events during the festival.
  - A listing of sponsors will be included in the Hall of Fame Banquet slide show and newsletter.

If you would like to become a sponsor for one or both events, please make checks payable to the Kentucky Poultry Federation and mail to:

Kentucky Poultry Federation, 2248 University Station, Murray, KY 42071.

Thanks you to our event sponsors, SII USA, Neogen Corporation, and Alternative Design
